Old Tallangatta Remedial Works
Frequently Asked Questions (FAQs)

What is Council proposing to do?
Council plans to modify the Y intersection where the bus shelter is located, address drainage concerns in front of the CFA shed and improve the town entrances by reshaping the roadside and planting trees.

Why are the works necessary?
The works will improve safety and sightlines at the Y intersection to improve safety. In addition, the works will address concerns raised by the community in regard to drainage in front of the CFA shed.

The works also reflect Council Plan Strategy 3.4 “Improve town entrances at key locations throughout the Shire.”

How will the community have a say in the project?
Council is holding a community workshop to obtain input into the project plans.

When: 6.00pm Wednesday 15 October 2019
Where: CFA Shed, Old Tallangatta

When will construction begin and when is it expected it to finish?
Design plans will be finalised by the end of October. A tender process will be undertaken over November and December with works ready to begin in the New Year.

Works are expected to be completed by April 2020 depending on weather conditions and other possible disruptions.

Who do I contact if I experience any issues with the works?
To discuss issues relating to the project, contact Council on (02) 6071 5100, 1300 365 222 or info@towong.vic.gov.au
